

# Notes In The Woods

November, 2019

## HUNTINGTON WOODS HOA MEETING

TUESDAY, NOVEMBER 5, 6:30 PM

HOLY TRINITY LUTHERAN CHURCH, 547 6TH ST NW

HOPE TO SEE YOU THERE!

YOUR ATTENDANCE SUPPORTS OUR COMMUNITY

## Keeping in Touch

It is time to start the process of electing new HOA Board members for 2020 and beyond. Four current board members will be continuing their terms and we will be electing five new members to join them on January 7, 2020 at the annual meeting.

The management responsibilities of Huntington Woods board members are many and varied, some are more demanding than others. Immediately following the January election, the new board will meet to elect and assign positions and responsibilities for each board member. At that time we will take into consideration the amount of time that each board member will be able to give to board work. Therefore, if you are interested in serving, do not let your limited time prevent you from volunteering.

We have a unique and beautiful community and the participation of all homeowners is very important. Many of our homeowners have served on our previous HOA boards, but there are many who have not. All homeowners are encouraged to consider stepping up, especially the newer members of our community.

Fred Parnell,  
HOA President

*Tracy Little*  
Here is a big bouquet of appreciation for your beautiful work on refurbishing our Huntington Woods entrance sign, making it a welcoming sign of pride once again!

*Thank you!*

## Our New Friend and Neighbor

Tavia Ormsby, our new neighbor in #1775, is a native of Catawba County and grew up in Maiden. In her thirties she moved to Newton, living there until August of this year when she moved to Huntington Woods.

She has an Associate Business Degree and has spent her professional life working for several furniture companies and for CommScope. She worked primarily in customer service in furniture companies that included Stanford, Claremont; Emerson Leather, Hickory; and Temple Furniture, Maiden. She served as a manufacturing supervisor in CommScope.

Tavia has two sons and a large extended family in Catawba County which includes five grandchildren, three step-children, nine step-grandchildren and two step-great grandchildren. All of her family is a pleasure for her.

Three years ago Tavia suffered the sad loss of Ed, her husband of eleven years. Ed was corporate compliance manager for CommScope and passed away during a business trip to El Paso.

Ed and Tavia were sailors and a special memory for her is a sailing trip to the British Virgin Islands. She thinks it was the best vacation she has ever had.

Traveling is a special love, she has traveled in over 3/4 of the United States. Her international travels have included Canada, China, and a tour of Italy, Greece and Turkey. Next year, Tavia will make her second trip to Israel.

Among her comments about what was interesting in China, she said that she felt safe and the smog was really bad. So bad that when you went into a restaurant they gave you a white towel which turned black after wiping your hands and face.

She did find the food delicious in China. In Shanghai it was wonderful, not at all like Chinese food in our country. She learned how to perfect the use chop sticks because you had to or not eat.

As a board member for the Eastern Catawba Cooperative Christian Ministry, Tavia worked on their fifty year open house anniversary which followed the Hunger Walk on October 20. She has organized the walk for the past two years and is considering doing the same next year.

Additionally, Tavia serves as a leader for an international bible study group and belongs to the Daughters of the American Revolution.

Both Tavia and her adorable Shitzu, Cutie Pie, are pleased to now be residents of Huntington Woods. Welcome.
